

## PRODUCT BULLETIN

# PROMAX™ R & O Hydraulic Oil

PRODUCT #147

CAM2® PROMAX™ R & O Hydraulic Oil is a rust and oxidation inhibited hydraulic oil.

## FEATURES

CAM2® PROMAX™ R & O Hydraulic Oil contains additive systems which impart characteristics desired in these types of oils:

- Oxidation stability
- Rust protection
- Hydraulic stability in the presence of water

## APPLICATIONS

CAM2® PROMAX™ R & O Hydraulic Oil may be recommended for applications when a rust and oxidation inhibited hydraulic oil is required.

## TECHNICAL DATA

Product Code	147
Viscosity @ 100°F, SUS	150-300
Viscosity Index	70+
API Gravity	23
Flash, COC, °F	350+
Pour Point: °F	0
Color	Amber
